Nights are drawing in. A great time to dust off the albums and get going for the winter late evenings. Some clients have got many bargains and filled many holes over the summer.

We continue with this auction with the same sections as before with many new lots to look through. Our Postal History is going well with lots of interesting covers and cards from Commonwealth, Foreign and Great Britain. We have a good range of Zeppelins which have always created interest and bidding. A vendor has broken down a bird collection which has created a small section. You will find others through the one country section as well. This section has some useful sets and singles from Aden – Zanzibar with good sections of Australia (68 lots), Belgium (31 lots), British Somaliland (35 lots), Canada (Inc territories 123 lots), France (Inc Occ and PO's etc 127 lots), Germany (all areas 163 lots), Hong Kong (37 lots), Leeward Is (28 lots), Rhodesia (34 lots), South Georgia (and Sandwich Is (72 lots), Switzerland (56 lots) and many countries in between. The Great Britain section runs from Collections, Cinderella, Essay's/Proof's, through the reigns to Channel Is and IOM. So stop reading this and get looking through the catalogue.

Give us a call or email if you have any questions.
